ZONING BYLAW No. 1-1982**

Consolidated version including the following Amendments:

Bylaw No. 2-2007

Bylaw No. 1-2008

Bylaw No. 2-2010

Effective July 26, 1982

NOTE:

This consolidation is not official. Amendments have been incorporated for convenience of reference and the original bylaws should be consulted for all purposes of interpretation and application of the law.

CONSOLIDATION DATE: October 11, 2018

Section 60 of the Planning and Development Act, R.S.S., 1978, provides that the Council of a Municipality may pass a Zoning Bylaw. Therefore, the Mayor and Council of the Village of Metinota in the Province of Saskatchewan, in open meeting hereby enact the following:

## **PART ONE INTRODUCTION**

### **1. Short Title**

This bylaw shall be known as the “Village of Metinota Zoning Bylaw”

### **2 Purpose of the Zoning Bylaw**

This is a bylaw to control the use and development of land in the municipality.

### **3 Scope**

Development shall hereafter be permitted within the limits of the municipality, only when in conformity with the provisions of this bylaw.

### **4 Definitions**

The list of definitions of words and terms used in this bylaw, are included in Part Five

#### **4.1 Severability**

If any sections, clause or provision of this Bylaw, including anything shown on the **Zoning District Map**, is for any reason declared by the Court of competent jurisdiction to be invalid, such decision shall not affect the validity of the Bylaw as a whole or in part, other than the sections, clause, provision or anything shown on the Zoning District Map to be invalid.

#### **4.2 Provincial Interests**

Development shall incorporate applicable provincial land use policies and provincial interests.

## PART TWO ADMINISTRATION

### 5. Development Officer

The Administrator of the Village shall be responsible for the administration of the Bylaw. The Administrator may appoint a Development Officer subject to a resolution of Council, to whom duties in the administration of the Zoning Bylaw may be delegated.

### 6. Development Permits

- (A) Every person, before commencing any development within the municipality, shall apply to the Development Officer for a development permit and no development shall commence unless a development permit is issued and then, only in accordance with any special provisions included in the development permit.
- (B) Every application for a development permit shall be accompanied by two (2) copies of a layout or site plan prepared by a Saskatchewan Land Surveyor showing the dimensions of the site and the size and location of the site of any existing and any proposed development along with any other information that the Administrator may require for the proper administration and enforcement of this bylaw.
- (C)
  - 1. Should the application be approved, one (1) copy of the layout or site plan shall be returned to the applicant bearing an appropriate indication that it has been approved along with any special conditions that the approved development must adhere to.
  - 2. If the application is not approved, one (1) copy of the layout or site plan shall be returned to the applicant along with the reasons for the refusal.
- (D) A building permit shall not be issued unless a development permit has also been issued.
- (E) No building or structure shall be erected, reconstructed, moved off or on a site, nor shall any building structure or land be used for any other use, than is permitted in the zoning district concerned, and then only after applying for and securing all development permits, building permits and licenses required by all bylaws in effect in the municipality.
- (F) Development Permit Not Required:

Developments which do not require a development permit include:

- 1. Public Works: Any operation for the purposes of inspecting, repairing, or renewing sewers, mains, cables, pipes, wires, tracks or similar public works as required by a public utility, and the installation of service connections to property in the municipality. **Note**: a permit is required for the installation of new transmission lines.

2. Municipal Facilities: Any facility installed and operated by the Municipality.
3. Signs: Subject to the provisions of Section 26.2 of this Bylaw.
4. Docks: Docks do not require a development permit, but applicants should ensure that proper approvals have been obtained from provincial and federal departments / agencies.
5. Accessory Buildings: Single storey accessory buildings less than 9 square metres (97 ft.<sup>2</sup>) in floor area do not require a development permit.
6. Fences: Fences do not require a development permit.
7. Maintenance and Repairs: Maintenance and repairs that do not include structural alterations do not require a development permit.

Development listed in Part II, Section 6(F) must be allowed in the Zoning District in which they are proposed to be located and must comply with the regulations of this Bylaw.

(G) Discretionary Use Application Procedure

The following procedures shall apply to discretionary use applications:

1. The Development Officer shall review all applications for completeness and inform an applicant whose application is not complete, of the information or documentation required to complete the application, and that the application will not be considered until it is complete.
2. The application will be reviewed by the Development Officer for conformance with this Zoning Bylaw and any other applicable policies and regulations, and will refer the application, along with a written report documenting the results of the review, to Council.
3. Council will review the application and Development Officer's report and may request comments or information from other government agencies to assist in Council's review of the application, where appropriate.
4. When Council has received requested comments or information from other agencies, the Development Officer shall set a date, time and location of the Council meeting at which the application will be considered.
5. Pursuant to Section 55(2) of *The Act*, the Development Officer shall mail a notice of the application to the assessed owner of each property within 75 metres of the subject property. This notice shall be mailed no less than

seven days prior to the date of the Council meeting at which the application will be considered.

6. The notice described in Sub-subsection 5. above shall describe the use applied for, describe the location of the use and specify the date, time and location of the Council meeting at which the application will be considered.

(H) Discretionary Use Evaluation Criteria

1. Discretionary uses, discretionary forms of development, and associated accessory uses shall conform to the development standards and applicable provisions of the zoning district in which they are proposed to be located. For the purposes of this Section, applications shall be deemed to conform with the yard, open space and other requirements of the district where such requirements are met as a result of a decision of the Development Appeals Board or Saskatchewan Municipal Board Planning Appeals Committee, or where the building or parcel comes within the provisions of Section 91(1) of *The Act*.

2. The following objectives must be considered in the review of discretionary use applications:

- (i) the proposal must be in conformance with all relevant sections of the Zoning Bylaw.
- (ii) the proposal must be capable of being economically serviced by community infrastructure including roadways, water and sewer services, solid waste disposal, parks and public beach areas, schools, and other utilities and community facilities.
- (iii) the proposal must not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity or injurious to property, improvements or potential development in the vicinity.

(I) Terms and Conditions for Discretionary Use Approvals

1. In approving a discretionary use application, Council may prescribe specific development standards with respect to that use or form of development, provided those standards are necessary to secure the following objectives:

- (i) the proposal, including the nature of the proposed site, the size, shape and arrangement of buildings, and the placement and arrangement of lighting and signs, must be generally compatible with the height, scale, setbacks and design of buildings in the surrounding area, and with land uses in the general area, including

safeguards to prevent noise, glare, dust, or odour from affecting nearby properties.

- (ii) the proposal must provide adequate access and circulation for the pedestrian and vehicle traffic generated, as well as providing an adequate supply of on-site parking and loading spaces.

2. Council's approval of a discretionary use application is valid for a period of 12 months from the date of the approval. If the proposed use or proposed form of development has not commenced within that time, the approval shall no longer be valid. The Development Officer shall advise the applicant and Council when a prior approval is no longer valid.
3. Council may direct that a discretionary use permit extension be granted for an additional 12 month period by the Development Officer.
4. If an approved discretionary use or form of development ceases to operate for a period of six (6) months or more, the discretionary use approval shall no longer be valid. The Development Officer shall advise the owner and Council when a prior approval is no longer valid.

(J) **Validity of a Development Permit**

1. If development authorized by a development permit is not commenced within twelve months of the date of issue, the permit ceases to be valid.
2. A development permit extension may be granted for an additional 12 month period by the Development Officer.

**7. Development Appeals**

- (A) A Development Appeals Board of the Village is established in accordance with Sections 213-217 of *The Act*.
- (B) Where an application for a permitted use has been refused, the applicant shall be advised of the right of appeal to the Development Appeals Board of the Village pursuant to Section 219 of *The Act*.
- (C) Where an application for discretionary use or development has been approved with prescribed development standards, the applicant shall be advised of their right to appeal any development standards considered excessive to the Development Appeals Board, pursuant to Section 58 of *The Act*.

**8. Amendment of the Zoning Bylaw**

- (A) Any person seeking to amend this Zoning Bylaw may submit an application for such amendment and, upon payment of the required fee, the Development Officer

shall refer such application to Council for consideration.

- (B) Council may, by resolution, authorize an amendment to the Zoning Bylaw, and that amendment shall be adopted, by bylaw.
- (C) Sections 206 - 212 of *The Act*, shall govern the process to be followed with respect to public notice and public participation in the adoption of a bylaw to amend this Zoning Bylaw.

## 9. Non-Conforming Uses, Buildings and Sites

- (A) Non-conforming uses, buildings and sites shall be permitted and regulated subject to Section 88 - 93 of *The Act*.
- (B) No existing structure or site shall be deemed to be non-conforming by reason only of the conversion from the Imperial system of measurement to the Metric system of Measurement where such non-conformity is resultant solely from such change and is reasonably equivalent to the metric standard herein established.

## 10. Offences and Penalties

Any person who violates this Bylaw is guilty of an offence and is liable, on summary conviction, to the penalties provided by Sections 242 - 245 of *The Act*.

### 10.1 Fees

- (A) Amendment of the Zoning Bylaw - Where a person requests Council to amend the Zoning Bylaw, that person shall pay to the municipality an application fee of \$200.00 plus a fee equal to the costs associated with the public advertisement of the proposed amendment and the costs associated with providing direct written notice to owners of land that is the subject of the proposed amendment.
- (B) Application fees:
  - 1. An applicant for a development permit shall pay an application fee in accordance with the following:
    - (i) Permitted principal or accessory use: \$25.00
    - (ii) Discretionary principal or accessory use: \$50.00
    - (iii) Development Appeal Fee up to \$50.00 as specified by the board.

## **PART THREE GENERAL REGULATIONS**

The following regulations shall apply to all Zoning Districts in this Bylaw:

### **11. Licenses, Permits and Compliance with Other Bylaws**

Nothing in this Bylaw shall exempt any person for complying with the requirements of a building bylaw or any other bylaw in force within the Village of Metinota. Where provisions in this Bylaw conflict with those of any other municipal or provincial requirements, the higher or more stringent regulations shall prevail.

### **12. Development on Hazard Lands**

- (A) Where a proposed development or subdivision is to be located on what Council considers may be hazard land, the applicant shall submit a professional report on the proposed development. The report shall assess the geotechnical suitability of the site, susceptibility to flooding, or other environmental hazards, together with any required mitigation measures.
- (B) Actions identified, in an assessment prepared pursuant to Part III, Section 12(A) of this bylaw, for prevention, change, mitigation or remedy may be incorporated as conditions to issuance of any development permit that may be issued. Council shall refuse a permit for any development for which, in Council's opinion, the proposed actions are inadequate to address the adverse effects or will result in excessive municipal costs.

### **13. Storage of Chemicals, Fertilizers and Combustible Materials**

The storage of chemicals, fertilizers and combustible materials are subject to the requirements of both the federal and provincial governments. All necessary approvals from other regulatory agencies must be obtained prior to issuance of a development permit. Development permit conditions may include the requirement that all permits or licenses required by other regulatory agencies be obtained before development proceeds.

### **14. Projections into Yards**

Where minimum front, rear or side yards are required in any district, such minimum requirements shall not apply to prevent the construction or location of the following:

- (A) a chimney which projects not within 0.75 metres (2.5 feet) of the side boundary of a site;
- (B) A deck or patio 0.4 metres (1.3 feet) or greater above grade level, as measured at the outside edge of the deck or patio, which projects not more than 3 metres (10 feet) into the minimum rear or front yard requirement.

- (C) A deck or patio less than 0.4 metres (1.3 feet) or greater above grade level, as measured at the outside edge of the deck or patio, which projects not more than 1.5 metres (5 feet) into the minimum rear or front yard requirement.
- (D) at Council's discretion, an eave or building which projects into the required minimum side yard of a site that directly abuts a registered public road or municipal reserve, provided that the eave or building does not encroach onto or over the abutting registered public road or municipal reserve.

**15. Frontage on Street**

No development permit shall be issued unless the site intended to be used, or upon which a building or structure is to be erected, abuts, or has frontage on an existing street.

**16. Building Lines**

Where a building line in any residential district has been established by existing buildings in a block, and is less than the specified front yard requirement, new construction may conform to the established building line provided that, Council, by resolution, or bylaw permits conformation to the established building line.

**17. Number of Principal Buildings Permitted on a Site**

Not more than one (1) principal building shall be placed on any one (1) site, with the exception of agricultural uses, municipal facilities, public works and sites that are divided into more than one zoning district (e.g. sites that are separated by a legal roadway and situated in both the R - Residential District and the S - Storage District).

**18. Building to be Moved**

No building, residential or otherwise, shall be moved within the area covered by this Bylaw without obtaining a Development Permit from the Development Officer unless such building is exempt under Part II - Section 6(F) of this Bylaw.

**19. Demolition of Building**

No building, residential or otherwise, shall be demolished within the area covered by this Bylaw without obtaining a Development Permit from the Development Officer. Such permit shall not be issued unless a proposal for the interim or long term or redevelopment of the site is also submitted, and is in conformity with this Bylaw. A Development Permit is required for any redevelopment of the site.

**20. Grading and Leveling of Site**

Any site proposed for development shall, in the opinion of Council, be graded and leveled at the owners expense, to provide for adequate surface drainage which does not adversely affect adjacent property.

## **21. Disposal of Wastes**

Subject to the Acts and Regulations administered by the Regional Health Authority and Saskatchewan Environment, as amended, no liquid, solid or gaseous wastes shall be allowed to be discharged into any stream, creek, river, lake, pond, slough, intermittent drainage channel or other body of water, onto any land or into the air.

## **22. Private Garages and Carports**

Private garages and carports attached to the principal building are considered as part of the principal building and subject to the regulations governing the principal building.

## **23. Water**

No development or use of land shall be permitted where the proposal will adversely affect domestic or municipal water supplies, or where a suitable, potable water supply cannot be furnished to the requirements of the Regional Health Authority, Saskatchewan Environment or the Saskatchewan Watershed Authority. Prior to considering new multiple lot subdivision proposals, Council may require a hydrology report to be submitted, demonstrating that an adequate supply of water exists and that existing water supplies will not be adversely affected by the proposal.

## **24. Developer / Municipality Agreements**

All proposals may be subject to the requirements of entering into an agreement between the developer and the Municipality for posting of a performance bond with the Municipality, to encompass matters of road construction and maintenance, drainage ditches, culverts, landfill, landscaping, and any other requirements as determined by Council.

## **25. Height of Buildings**

No building shall exceed 9.1 metres (30 feet) or be more than two (2) storeys in height.

## **26. Off-Street Parking**

Any development shall provide off-street parking spaces as determined by Council, where Council is of the opinion that such facilities are required.

### **26.1 Accessory Buildings and Uses**

#### **26.1 Accessory Buildings and Uses**

- (A) Accessory buildings and uses shall be subordinate to, and located on the same site at the principal building or use, and used in conjunction with that principal use.

1. Number of Accessory Buildings - There shall be no more than three (3) accessory buildings on a site in the R - Residential District.

2. Accessory buildings may contain habitable rooms or dwelling units at Council's discretion. Council may apply conditions limiting the size of buildings and the total number of beds that will be provided in an accessory building to ensure that conflict with neighbouring uses is avoided. In no case shall an accessory building contain more than 46.5 square metres (500 square feet) of habitable rooms or dwelling units.

3. Location and Size of Accessory Buildings

(i) Yard, front: minimum - 6 metres (20 feet), except for accessory buildings that do not include any entrances facing the front site line, where the minimum shall be 1.5 metres (5 feet).

(ii) Yard, rear: minimum - 6 metres (20 feet).

(iii) Yard, side: minimum - 1.5 metres (5 feet).

(iv) Floor area: maximum - the total floor area of all accessory buildings on a site shall not exceed 186 square metres (2,000 square feet).

(E) Accessory Buildings in the S - Storage District:

1. Number of Accessory Buildings - There shall be no more than two (2) accessory buildings located on a lot in the S - Storage District.

2. Accessory buildings shall not contain any habitable rooms or dwelling units.

3. Location and Size of Accessory Buildings

(i) Yard, front: minimum - 6 metres (20 feet), except for accessory buildings that do not include any entrances facing

the front site line, where the minimum shall be 1.5 metres (5 feet).

- (ii) Yard, rear: minimum - 6 metres (20 feet), except for accessory buildings that do not include any entrances facing the front site line, where the minimum shall be 1.5 metres (5 feet).
- (iii) Yard, side: minimum - 1.5 metres (5 feet).
- (iv) Floor area: maximum - the total floor area of all accessory buildings on a site shall not exceed 186 square metres (2,000 square feet).

(F) Accessory Buildings in the UR - Urban Reserve District:

1. Number of Accessory Buildings - There shall be no more than two (2) accessory building located on a site in the UR - Urban Reserve District.
2. Accessory buildings shall not contain any habitable rooms or dwelling units.
3. Location and Size of Accessory Buildings
  - (i) Yard, front: minimum - 6 metres (20 feet), except for accessory buildings that do not include any entrances facing the front site line, where the minimum shall be 1.5 metres (5 feet).
  - (ii) Yard, rear: minimum - 6 metres (20 feet), except for accessory buildings that do not include any entrances facing the front site line, where the minimum shall be 1.5 metres (5 feet).
  - (iii) Yard, side: minimum - 1.5 metres (5 feet).
  - (iv) Floor area: maximum - the total floor area of all accessory buildings on a site shall not exceed 186 square metres (2,000 square feet).

(G) Shipping Containers

No shipping container shall be used, placed or stored on any lot in any zoning district under this bylaw.

## 26.2 Signs

All signs and billboards shall be subject to the following requirements:

- (A) no more than one permanent sign is permitted on any residential lot, and no more than two permanent signs are permitted in any commercial lot;
- (B) additional temporary signs bearing notice of sale or lease, sale of produce, or other information relating to a temporary condition affecting the lot are permitted as long as that condition exists on the lot;
- (C) no residential or home occupation sign shall have a sign face area exceeding 0.4 square metres, and no commercial sign shall have a sign face area in excess of 4 square metres;
- (D) no sign shall be located in any manner that may obstruct or jeopardize the safety of the public.
- (E) off-site advertising of commercial services such as billboards, are prohibited.

### **26.3 Home Occupations**

Home occupations will be subject to the following special standards:

- (A) The use is clearly ancillary to the use of the dwelling unit as a private residence.
- (B) The owner of the business is a resident of the dwelling unit.
- (C) No variation in the residential character and appearance of the dwelling or land shall be permitted, except for permitted signs.
- (D) The permitted use shall be valid only during the period of time the property is occupied for residential purposes by the business owner.
- (E) All permits issued for home occupations shall be subject to the condition that the permit may be revoked at any time, if in the opinion of the Council, the conditions under which the permit was originally issued are no longer met.
- (F) No more than two non-resident persons may be employed on the site of the home occupation.
- (G) The home occupation shall be conducted entirely indoors and there shall be no exterior storage on the site in relation to the home occupation.

### **26.4 Bed and Breakfast Homes**

Bed and breakfast homes shall be subject to the following requirements:

- (A) Bed and breakfast homes shall be located in, and ancillary to, a single detached dwelling used as the operator's principal residence.
- (B) Bed and breakfast homes shall be licensed pursuant to *The Public Health Act*, where tourist accommodations require health approval.
- (C) Council may establish standards limiting any accessory activities as a condition of issuing a discretionary use permit for a bed and breakfast home.
- (D) A maximum of three (3) bedrooms within a single detached dwelling shall be permitted to provide sleeping accommodation for a bed and breakfast home.

### **26.5 Mobile Homes and Prefabricated Homes**
